**Notification of Change on Location of Final Inspection**  
**for**  
**Our China-made Standard Product of LED Illumination**

First of all, we always appreciate the opportunities given through the business with you.  
Please be informed that there is a change on the inspection location of our LED illumination products.

1. Products

Standard Product (Please refer to material attached.)

2. Contents

Please be informed that location of inspection for our products which have been produced in China and inspected in Japan will be transferred to our China plant.

In regards to this change, we kindly ask you of your understanding and cooperation.

Please note that there is no change on appearance and performance of our products

3. Schedule

It will be implemented for products produced in January, 2012, and after.

4. Reason

It is our corporate policy that we aim at efficiencies of our operations by integrating production sites.

We will be continuously focusing on improving our product quality and managing our quality.  
We would appreciate your attention to our products and support us.

Best Regards,

Moritex Corporation,
