Moritex Decides to Change its Head Office to the Saitama Region

Moritex announces to relocate its head office to the Saitama region based on the decision made at the board meeting on November 9, 2012.

This is part of our initiatives to reduce fixed cost and improve efficiency. The change will involve changing the Article of Incorporation and therefore will be on the agenda of the upcoming annual general meeting of shareholders.

Details for Saitama office and Yokohama Technical Center are still under consideration.

1. New address

3-13-45, Senzui, Asaka city, Saitama

Saitama office and Yokohama Technical Center: Details to be determined

2. Planned schedule:

Head office: May 2013

3. Impact on forecast

The changes are reflected in the forecast for the fiscal year closing September 2013 also announced today.
