Dear valued customers:

Thank you for using MORITEX products.

This is to inform you about the specification change of glass cover in our Machine Vision products listed as follows.

Should you have any inquiries, please contact your sales representative.

Details:**1, Product to be adopted**

Refer attached list for details

2, Reason of this change

Difficulties of the current glass material.

3, Changed contents

UV cut characteristics (wavelength) change.
associated with glass material change.

(See transmittance comparison graph shown in next page for details)

4, Timing of this change

New glass material will be applied when all the glass cover
inventory has been sold.

(We foresee the timing of this change as around November 2019,
considering the current inventory status)
