Dear customers:

Thank you for using MORITEX products.

This letter is to inform you that RoHS Additional 4 substances compliance label will be attached on the package to RoHS Directive (EU) 2015/863 compliant products.

Please find the details below.

Should you have any inquiries, please contact your sales representative.

Details:

Applicable products

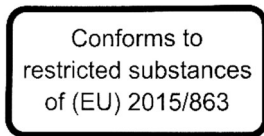

EU RoHS Directive compliant products manufactured by MORITEX
(EU RoHS Directive : EU RoHS Directive (2011/65/EU as amended by (EU) 2015/863))

Changes

Abolition of “RoHS additional 4 substances conformity label” which were applied to packing box or packing bag (hereunder individual packing) in order to clarify conformity with added 4 phthalates (DEHP, BBP, DBP, DIBP) in RoHS Directive (EU) 2015/863.

Reason for change

Almost all products comply with the RoHS Directive (EU) 2015/863, and there is no longer a mixture of revised RoHS compliant / non-compliant products, and there is no need for identification on the package.

RoHS additional 4 substance conformity label

Display example on individual packing (discontinued)

Implementation date

Conducted by switching from labeled package to unlabeled package after October 1, 2021
You may find the presence or absence of labels will be mixed during transition period.
